RFO REPORT - 14th September 2020

- 1. The Grant of £500 from Ward Cllr Neil Butters CEF Grant towards the cost of the railings for Miss Davies Garden has been received.
- 2. A Grant of £6,481.50 towards the cost of the Village Hall new water supply through the parish Council Car Park has been received.
- 3. The Public Sector Pay Awards, delayed by the Covid-19 pandemic, have now been published.

The Parish Clerk is on SCP 6, and the pay rate is increased from £9.96 per hour to £10.24. This represents an annual increase of £101.92 for the 7 hour working week. The award is back dated to 1st April 2020, so back pay of £41.16 would be due on the five months worked so far.

The Parish Sweeper is on SCP 3, and the pay rate is increased from £9.39 per hour to £9.65. This represents an annual increase of £101.40 for the 7.5 hour working week. The award is back dated to 1st April 2020, so back pay of £42.25 would be due on the five months worked so far.

The Parish Council is asked to approve the Pay Increases and Back payments.

4. ALCA have indicated that they wish to increase the subscriptions Parish and Town Councils pay. The reason for this increase is because the Treasurers role is currently fulfilled on a voluntary basis and it should be a paid role. They have indicated that a salary of £13,000 would be paid for the role. ALCA have been asked to justify this salary by providing a job description.

Previous correspondence indicated a 10% increase each year for the next three years. This represents an increase of about £4 each year. However, at the most recent ALCA meeting it was revealed that they are planning a 30% increase each year instead, which will more than double the £38.77 currently paid.

No updated briefing has been received to explain the new increase. I hope to have such by the time of the meeting.

The 30% increase is likely to mean a number of Councils may leave ALCA, particularly larger ones like Keynsham for whom this represent a very significant increase, making ALCA non-viable.

The Council is asked to direct the clerk on how to vote when the Resolution to Increase the subs is brought to the ALCA AGM, and to consider if it is happy to pay the increased subs or to allow membership of ALCA to lapse.
