

CLERK'S REPORT – 5th March 2018

Agenda Item 6 – Village Hall Floor Replacement.

A set of quotations has been received from a single supplier by the clerk. They are difficult to understand as the clerk was not the person who requested them. They detail costs of many thousands of pounds. They will be circulated with the meeting papers. It is expected that the Village Hall Management Committee will make a report to the Parish Council on what is required, funding available, and available suppliers. You may then be able to make appropriate resolutions to approve the expenditure.

Agenda Item 6 – Phone Box Church Lane / Mill Lane Junction.

The refurbishment of the telephone box as a village information point and book store has been planned and approved for funding by the Community Empowerment Fund and £280 has been received. The total project cost is £600 and this has been placed in the budget for next year.

Agenda Item 7 – Variation of Premises Licence – Waterhouse Hotel

This item has been placed under the Planning Section. It may be necessary to deal with it at the start of the meeting depending on who from the public, if anybody, attends to make a representation to the Parish Council. It is considered likely that the public may attend and wish to speak on this issue.
